

LOVE THE #ebikesmile

e-biking is an increasingly popular and fun way to explore further by bike. It only takes about 30 minutes for most people to cycle 10km on an e-bike.

e-bikes allow riders of different speeds and fitness to easily ride together. Let the bike do the work and take the sting out of the hills!

LOOKING FOR INSPIRATION?

We have produced a selection of fun and enjoyable routes in The Trossachs which are particularly suited to an e-bike starting from NCN 7 in **Drymen, Aberfoyle, Kinlochard, Callander and Strathyre**.

Many of them take in some great coffee and cafe stops along the way, as well as popular attractions.
